OVERVIEW

The **Capacity Grant Program** is intended to provide funding to members of the Regional Arts Council for one or more of the following Capacity Grant Program Purposes:

- Improving artistic or educational quality
- Developing, growing and/or reaching new audiences
- Building or expanding a fundraising program or donor base
- Engaging, training, or retaining staff and/or volunteers
- Taking action steps toward IDEA (inclusion, diversity, equity, or access), such as:
 - Reaching / engaging audiences that have limited access to arts and cultural programming
 - Recruiting / retaining diverse staff or volunteers
 - Presenting relevant multicultural programming to the community

Arts United recommends organizations submit grant requests between \$5,000 - \$10,000, but the Grant Oversight Committee may consider a small number of larger grant awards. This is a competitive grant program; Arts United may not provide a grant to every applicant.

CRITERIA

The Arts United Grant Oversight Committee will prioritize applications that demonstrate how the proposed project or program will accomplish one or more of the Capacity Grant Program Purposes.

The Grant Committee will use the following criteria and scoring system in their review.

- Impact (75 points): Short-term and/or long-term impact of the proposed project or program for the applicant
- Project Management (25 points): The applicant's ability to attain their measurable goals for the proposed project or program.

ELIGIBILITY

All eligible organizations must be dues-paying members of the Regional Arts Council for the 2022-2023 program year. Organizations can request confirmation of their payment status by reaching out to the program contact, Heather Closson.

Prior year grant recipients must satisfy one of the following additional eligibility requirements:

- **For completed projects**, organizations must have already submitted their final report, or provide proof of project completion. *Proof of project completion does not replace the final report.*
- **For in-progress projects**, organizations must provide a progress report with their 2023 application that provides updates on the following:
 - Current status of their 2022 project
 - Timeline for 2022 project completion

If approved for 2023 funding, 2022 grant recipients are required to submit their final report on or before June 30, 2023 as an additional condition of receiving 2023 funding. Answers provided and information obtained may be a factor considered by the Arts United Grant Oversight Committee when evaluating proposed plans for Project Management.

APPROVED USES

Capacity Grants may be used to support the following types of expenses:

- Expertise from a Contractor or Consultant
- Space Rental
- Supplies or Materials
- Technology or Tools
- Training or Professional Development
- Other related expenses that support the member's capacity project or program

Capacity Grants may not be used to support capital campaigns, endowments, reserve funds, or the acquisition of hard assets that are unrelated to the purpose of the Capacity Grant Program.
